

Black letters are mainly descriptions of patterns.

Blue letters are descriptions of polar caps and clouds.

Brown letters are the description about dust.

Red is a special note.

伊藤の画像は、今日も素晴らしい。視直径の小さな火星ながら、細部がよくわかる。この時期の火星面を非常に良く記録している。

Ito's images are still excellent today. Despite the small apparent diameter of Mars, the details are clear. They are an excellent record of the Martian surface at this time.
