

Black letters are mainly descriptions of patterns.

Blue letters are descriptions of polar caps and clouds.

Brown letters are the description about dust.

Red is a special note.

2025 年 9 月 29 日 (2025, Sep. 29)

今日は、Syrtis Major (293W,+0~20)の上の白雲は、やや淡くなった。Elysium (215W,+30)付近の白雲は顕著で、B 画像にその様子がよく現れている。Utopia (260W,+45)付近に雲があるようだ。

Today, the white clouds above Syrtis Major (293W, +0~20) have faded somewhat. The white clouds near Elysium (215W, +30) are prominent, as can be seen clearly in image B. There appear to be clouds near Utopia (260W, +45).
