

Black letters are mainly descriptions of patterns.

Blue letters are descriptions of polar caps and clouds.

Brown letters are the description about dust.

Red is a special note.

かすかに NPC が記録されている。NPC は永久北極冠と言われる状態になっていると考えられるが、それが、この小さな火星で記録されたことに驚いている。かすかな写り方だが、雲と言うよりも、やはり NPC だと思われる。

A faint NPC has been recorded. NPCs are thought to be in a state known as the permanent north polar cap, and I was surprised that they were recorded on this tiny planet. Although it is faint, it is thought to be an NPC rather than a cloud.
