

Black letters are mainly descriptions of patterns.

Blue letters are descriptions of polar caps and clouds.

Brown letters are the description about dust.

Red is a special note.

筆者だけの観測になりました。Mare Cimmerium の付近が暗く見えていましたが、南極部が細くかすかに明るく見えました。おそらく南極雲だと思われます。しかし、シーイングが悪く、不安です。

(by 1 observation; reported by Makoto Adachi)

2021, Dec. 29

It was only the author's observation. The area around Mare Cimmerium looked dark, but the SP region looked thin and faintly bright. Probably the SP cloud. However, seeing is bad and I am anxious.
