

Black letters are mainly descriptions of patterns.

Blue letters are descriptions of polar caps and clouds.

Brown letters are the description about dust.

Red is a special note.

2024 年 11 月 2 日 (2024, Nov. 02)

11 月 1 日に見えた、Utopia (260W,+45)付近のダストストームはかなり拡散してしまった。日本の観測条件が季節的に悪いため、詳しい様子をつかめなかったことが残念だ。10 月 13 日のダストストームとの関連などは、つかめなかった。

The dust storm near Utopia (260W, +45) seen on November 1st has now spread out considerably. Unfortunately, the observation conditions in Japan were poor this season, so we were unable to get a detailed picture of it. We were also unable to determine whether it was related to the dust storm on October 13th.

(by 5 observations; reported by Makoto Adachi)
